Chapter 1 INTRODUCTION

The International Fuel Tax Agreement (IFTA) is an agreement among states and Canadian provinces to simplify the reporting of fuel used by interstate/interjurisdictional motor carriers. Upon application, the carrier's base jurisdiction will issue credentials, which will allow the IFTA license to travel in all IFTA member jurisdictions.

As of July 1, 1999, the IFTA member jurisdictions will include all states and Canadian provinces, except Alaska, Washington DC, Yukon Territory and North West Territory. Kentucky carriers traveling in non-IFTA jurisdictions must continue to follow the procedures and file the reports required by the statutes and regulations of those non-IFTA jurisdictions. Carriers from non-IFTA jurisdictions must likewise comply with Kentucky statutes and regulations.

Kentucky is your base jurisdiction for IFTA licensing and reporting if you:

- ✓ have an established place of business in Kentucky from which motor carriers operations are conducted;
- ✓ maintain operational control and operational records for qualified motor vehicles in Kentucky or can make records available to Kentucky;
- ✓ have one or more qualified motor vehicles that actually travel on Kentucky highways; and,
- ✓ operate in at least one other IFTA jurisdiction.

The IFTA license offers several benefits to the interstate/interjurisdictional motor carrier. These benefits include one license, one set of decals, one quarterly fuel tax report which reflects the net tax or refund due, and one audit in most circumstances. These advantages lead to cost and time savings for the carrier.

This manual will explain in further detail the application, licensing, reporting, record keeping requirements, and audit procedures for IFTA.

Chapter 2 DEFINITIONS

Applicant – person in whose name the application for licensing is filed with a base jurisdiction for motor fuel tax reporting under the provisions of IFTA. 

Audit – a physical examination of records and source documents supporting the licensee's quarterly tax reports.

Base Jurisdiction – the member jurisdiction where qualified motor vehicles are based for vehicle registration purposes and:

- 1) where operational control and records of the licensee's qualified motor vehicles are maintained or can be made available; and,
- 2) where some travel is accrued by qualified motor vehicles within the fleet.

The commissioners of two or more affected jurisdictions may allow the consolidation of several fleets, which would otherwise be based in two or more jurisdictions.

Cancellation – the annulment of a license by either the licensing jurisdiction or the licensee.

Carrier – a person who operates or causes to be operated a qualified motor vehicle on any highway in Kentucky.

Commissioner – the official designated by the jurisdiction to be responsible for the administration of IFTA.

Division – the Division of Motor Carriers.

Inter-Jurisdictional Distance – total number of miles or kilometers operated by a registrant's/licensee's qualified motor vehicles within a jurisdiction. Inter-jurisdictional miles or kilometers do not include those operated on fuel tax trip permits or those exempted from fuel taxation by a jurisdiction.

Jurisdiction – a state of the United States, the District of Columbia, or a province or territory of Canada.

Lessee – party acquiring the use of equipment, with or without a driver, from another.

Lessor – party granting the use of equipment, with or without a driver, to another.

Licensee – person who holds an uncanceled IFTA license issued by the base jurisdiction.

Member Jurisdiction – a jurisdiction which is a member of the International Fuel Tax Agreement (IFTA).

Motor Fuels – all fuels used for the generation of power for propulsion of a qualified motor vehicle.

Person – an individual, trust, partnership, association, corporation, government or other entity.

Qualified Motor Vehicle – any motor vehicle used, designed, or maintained for the transportation of persons or property and:

- 1) has two axles and a gross vehicle weight or registered gross vehicle weight exceeding 26,000 pounds or 11,797 kilograms; or
- 2) has three or more axles regardless of weight; or
- 3) is used in combination when the weight of such combination exceeds 26,000 pounds or 11,797 kilograms gross vehicle weight, or registered gross vehicle weight.

Qualified motor vehicle does not include recreational vehicles. Please refer to Chapter 5, Section D for exempt vehicles.

Recreational Vehicles – vehicles such as motor homes, pickup trucks with attached campers, and buses when used exclusively for personal pleasure by an individual. To qualify as a recreational vehicle, the vehicle shall not be used in connection with any business endeavor.

Registration – qualification of motor vehicles normally associated with prepayment of licensing fees for the privilege of using the highway and the issuance of a license plate and registration card or temporary registration containing owner and vehicle data.

Reporting Period – period consistent with the calendar quarterly periods of January 1 through March 31; April 1 through June 30; July 1 through September 30; and October 1 through December 31.

Revocation – removal of privileges granted to the licensee by the licensing jurisdiction.

Suspension – temporary removal of privileges granted to the licensee by the licensing jurisdiction.

Total Distance – all miles or kilometers traveled during the reporting period by every qualified motor vehicle in the licensee's fleet, regardless of whether the miles or kilometers are considered taxable or nontaxable by a jurisdiction.

Weight – the maximum weight of the loaded vehicle or combination of vehicles during the registration period.

Chapter 3 IFTA CREDENTIALS

A. IFTA License Application Procedures

Any motor carrier based in Kentucky and operating one or more qualified motor vehicles in at least **one other IFTA member jurisdiction** must file an IFTA license application in Kentucky.

Carriers that qualify as IFTA licensees but do not wish to participate in the IFTA program, must obtain trip permits to travel through member jurisdictions, according to the regulations and fees of each member jurisdiction. However, the potential cost of trip permits could make this an undesirable option. You are also required to obtain KIT License and decal and file quarterly returns.

Carriers who are issued an IFTA license but do not operate outside of Kentucky will be issued a Kentucky Intrastate Tax (KIT) license and will have their IFTA license cancelled.

A carrier can request an IFTA license application by contacting:

Transportation Cabinet
Division of Motor Carriers
P.O. Box 2007
Frankfort, Kentucky 40602
Phone: 502-564-4127
Fax: 502-564-4138
E-mail: qp.dmc@ky.gov
<http://dot.ky.gov/dmc>

The IFTA license application requests basic information about the carrier and/or operations.

After completing the license application, a carrier must submit the application to the *Division of Motor Carriers*. Once the application is processed, the Division will issue proper IFTA credentials. A carrier will not be issued IFTA credentials if the carrier was previously licensed in another IFTA member jurisdiction and the carrier's license is under suspension or has been revoked by that member jurisdiction. The Division will not issue a license if the license application submitted contains misrepresentations or misstatements or omits required information.

B. KYU

In addition to your IFTA fuel tax license, if you travel in New York, New Mexico, Idaho or Oregon, you will need to contact those states to obtain a mileage tax license. If any of your vehicles are licensed for 60,000 pounds or more

you will need to obtain a KYU License from Kentucky by calling (502) 564-4127.

C. Annual License Fee

Kentucky does NOT charge an annual renewal-processing fee for an IFTA license or decals.

D. Account Identification

IFTA account identification numbers are created by using the prefix designated for Kentucky (KY) followed by the licensee's nine digit Federal Employer Identification Number (FEIN) issued by the Internal Revenue Service (IRS). If a FEIN is not available, a licensee will submit a Social Security Number (SSN) which will be used as the licensee's account number. When a licensee receives a FEIN, the licensee should notify the Division in writing. Individuals who do not have a FEIN, their SSN will be used as the account number.

E. Bonding

The Division shall require an IFTA licensee to post a bond when a licensee has failed to file timely reports, when tax has not been remitted, or when an audit indicates problems severe enough that a bond is required to protect the interests of all member jurisdictions. In lieu of posting a bond, licensee may choose to file on-line electronically.

F. IFTA License

The Division will issue an IFTA license card to the licensee. A photocopy of a license card must be maintained in the cab of each qualified motor vehicle. If a carrier is found operating a qualified motor vehicle without an IFTA license card, the licensee may be subject to citations and/or fines and the licensee may be required to purchase a trip permit. The IFTA license is valid for the calendar year January 1 through December 31.

G. IFTA Decals

When the decal order information on the IFTA license application is completed, the Division will issue IFTA decals. Two decals will be issued to each qualified motor vehicle operated by the IFTA licensee. The decals must be placed on the rear exterior portion of both sides of the power unit. Failure to display the IFTA decals properly may subject the licensee to citations and/or fines, and the licensee may be required to purchase a trip permit. Licensees may acquire additional decals throughout the license year from the Division.

H. Displaying Credentials (grace period)

Every qualified motor vehicle must carry an IFTA license and display two decals as described above. Such credentials may be displayed one

month before their effective date (i.e., 2005 decals may be displayed effective December 1, 2004).

In subsequent years, carriers shall be allowed a two-month grace period to display the ensuing year's decals provided the immediate prior year's decals are displayed.

I. IRP

The International Registration Plan, based on mileage, is an apportioned tax registration program for commercial motor vehicles operating in interstate commerce. The IRP is a program that prorates license plate registration and should not be confused with the IFTA program that deals with fuel taxes. For more information please call 502-564-4120.

Chapter 4 ANNUAL RENEWAL PROCEDURES

Each year the Division will issue preprinted IFTA license renewal applications to all licensees. IFTA decals are issued after the decal order information on the renewal application is completed and processed.

Renewal of the IFTA license may be denied if the Division determines that the licensee has failed to file any report or has failed to remit any amounts due any member jurisdiction.

Chapter 5 REPORTING REQUIREMENTS

A. Quarterly Returns (Forms 100-101)

All licensees must file an IFTA quarterly tax report (Form 100) and schedule(s) (Form 101) with the Division. The quarterly tax report indicates the tax or refund due for each member jurisdiction. Only one check is written to the Kentucky State Treasurer for the net tax due all member jurisdictions, or the licensee will receive one refund check for the net refund. The due date for the quarterly tax report is the last day of the month immediately following the quarter for which the report is being filed as follows:

<u>Reporting Quarter</u>	<u>Due Date</u>
January - March	April 30
April - June	July 31
July - September	October 31
October - December	January 31

The quarterly tax report (both IFTA 100 and 101), must have a US Postal postmark on or before the due date. If the due date is Saturday, Sunday, or a legal holiday, the next business day is considered the filing date. The licensee will be subject to the IFTA penalty and interest provisions if the report is not filed/paid by the due date.

Information required to compile the IFTA quarterly tax report is as follows:

- 1) total miles (taxable and nontaxable) traveled by licensee's qualified motor vehicles in all jurisdictions (include IFTA and non-IFTA miles and trip permit miles);
- 2) total gallons of fuel used (placed into licensee's qualified motor vehicles) in all jurisdictions, IFTA and non-IFTA;
- 3) total miles and taxable miles traveled in each member jurisdiction;
- 4) taxable gallons consumed in each member jurisdiction (calculated on report);
- 5) tax-paid gallons purchased and placed into qualified motor vehicles in each member jurisdiction.

The IFTA quarterly tax report and schedule(s) will be sent to all IFTA licensees at least 30 days before the due date. Failure to receive the quarterly tax report does not relieve the licensee from reporting obligations. Quarterly tax reports and schedules may be obtained by calling the Division at (502) 564-4150. A quarterly tax report must be filed by every licensee even if the licensee does not operate in any IFTA member jurisdiction or use any taxable fuel in a particular quarter.

Tax rates provided with the IFTA quarterly tax report will be current for all member jurisdictions. As tax rates and procedures change, the base jurisdiction will inform all licensees.

B. Penalty and Interest Provisions

When a licensee fails to file a tax report, files a late tax report, or fails to remit any tax due, the licensee is subject to penalty and interest. The penalty is \$50.00 or 10 percent, whichever is greater, of the net tax due to all member jurisdictions for each late occurrence. Interest accrues at the rate of one percent per month. Unlike penalty, interest is computed on the tax due

each member jurisdiction. Penalty may be waived if the licensee can show reasonable cause for failure to comply. Interest must be paid to each member jurisdiction where tax was due and may not be waived for any other jurisdiction by Kentucky.

C. Measurement Conversion Table

Kentucky IFTA licensees are required to report based upon United States measurements. Conversion rates are:

1 gallon = 3.785 liters
1 liter = .2642 gallons
1 mile = 1.6093 kilometers
1 kilometer = .62137 miles

Gallons and miles entered on each quarterly report must be rounded to the nearest whole gallon or mile.

D. Tax Exempt Vehicles

IFTA recognizes that some jurisdictions have unique economic and geographic characteristics that have given rise to various definitions of tax exempt vehicles. If further questions arise, contact the individual member jurisdictions. All jurisdictions require documentation to support a claim of tax exempt vehicles.

EXEMPT VEHICLES IN KENTUCKY

Farm Plated Vehicles
Government or Official Plated Vehicles
Non-Commercial Vehicles
Vehicles not required by law to obtain a plate
Buses

Note: Fuel and mileage records should be kept for all vehicles.

Please see <http://iftach.org>

Chapter 6 REFUNDS-CREDITS

A refund may be claimed on the IFTA quarterly tax report for any overpayment of tax in a reporting quarter. A refund will be issued once the Division determines that all tax liabilities, including any outstanding audit assessments, have been satisfied to all member jurisdictions. A

refund may be denied if the licensee is delinquent in filing any quarterly tax report(s). A refund determined to be properly due will be paid within 90 days for receipt of the request for payment from the licensee. If a refund is not requested, the credit will be carried forward to the next quarter. ***Unused credits will expire after eight quarters.*** Credits may be used to offset tax, penalty or interest due.

Refunds of tax exempt fuel use, such as reefer fuel, concrete mixers, etc., may NOT be claimed on the IFTA tax report. Claims must be filed directly with each jurisdiction under the terms of their statutes. All fuel placed into the supply tank of the qualified motor vehicle must be reported as taxable on the IFTA report and included in the MPG calculation.

For information regarding refunds for power take off consumed in Kentucky contact:

*Transportation Cabinet
Division of Road Fund Audits
200 Mero Street
Frankfort, Kentucky 40622
(502) 564-6760*

Information regarding refunds for non-power take off (reefers, mixers, etc., using their own separate fuel tank) should be directed to:

*Revenue Cabinet
200 Fair Oaks
Frankfort, Kentucky 40602
(502) 564-3853*

Kentucky law requires that any fuel not subject to fuel tax will have sales tax assessed prior to a refund.

Chapter 7 ASSESSMENTS FOR FAILURE TO FILE

When the licensee fails, neglects, or refuses to file an IFTA quarterly tax report, the Division may assess the licensee for tax delinquency, including penalty and interest. This assessment is based on the best information available, including the

licensee's filing history. In the absence of adequate records, a standard of four miles per gallon may be used to determine fuel consumption and miles or kilometers traveled in each jurisdiction. The burden of proof is on the licensee to show that the calculated assessment is incorrect.

Chapter 8 LEASE AGREEMENTS

General Lease Provisions

A. Leases of Less than 30 Days

For motor vehicle leases of less than 30 days, the lessor will be deemed to be the responsible party for IFTA tax reporting. This does not apply if the qualified motor vehicle is leased to the same person under two or more consecutive leases. If both the lessor and the lessee are IFTA licensees, the party whose IFTA credentials are in and on the vehicle is responsible for reporting and paying this tax.

B. Leases of 30 Days or More

For motor vehicle leases of 30 days or more, the lessor and lessee will be given the option of designating which party is to obtain the IFTA license. Therefore, if an agreement is executed, the Division will require the party named in the agreement to report and pay the tax. No member jurisdiction shall require the filing of such leases, but such leases shall be made available upon request to any member jurisdiction.

Specific Lease Provisions:

Every qualified motor vehicle leased to a carrier is subject to IFTA requirements to the same extent and in the same manner, as a qualified motor vehicle owned by that carrier.

In the case of lessors, lessees, independent contractors, and household goods agents the following will apply:

- 1) A lessor who regularly leases or rents motor vehicles without drivers to licensees or other lessees may be deemed to be the licensee. Such lessor may be issued a license if an application has been properly filed and approved by the base jurisdiction.
- 2) In the case of a carrier using independent contractors under long-term leases (30 days or more), the lessor and lessee may designate which party will report and pay fuel use tax.

If the lessee (the carrier to whom the vehicle is leased) assumes responsibility for reporting and paying motor fuel taxes, the base jurisdiction for purposes of this agreement shall be the base jurisdiction in which the qualified motor vehicle is registered for vehicle registration purposes by the lessor.

- 3) In the case of a short-term motor vehicle rental by a lessor regularly engaged in the business of leasing or renting motor vehicles without drivers for compensation for 29 days or less, the lessor will report and pay the fuel use tax unless the following two conditions are met:
 - a. The lessor has a written rental contract which designates the lessee as the party responsible for reporting and paying the fuel use tax; and
 - b. The lessor has a copy of the lessee's IFTA fuel tax license, which is valid for the term of the rental.
- 4) In the case of a household goods carrier using independent contractors, agents, or service representatives under intermittent leases, the party liable for motor fuel tax shall be the party under whose operating authority the vehicle is being moved.
- 5) In the case of a carrier using independent contractors under short-term/trip leases of 29 days or less, the trip lessor will report and pay all fuel taxes.

Chapter 9

LICENSE CANCELLATION, SUSPENSION, REVOCATION & REINSTATEMENT

A. License Cancellation

An IFTA license may be cancelled at the request of any licensee provided all reporting requirements and tax liabilities to all member jurisdictions have been satisfied. Check the cancellation box and the final IFTA quarterly tax report to indicate the end of operations under IFTA. The license may also be cancelled by submitting a written request. Upon cancellation, the licensee must destroy the original IFTA license and all unused IFTA decals. A final audit may be conducted by any IFTA member jurisdiction upon cancellation. Records must be retained for four years from the due date of the final quarterly tax report.

B. License Suspension and Revocation

An IFTA license may be suspended and/or revoked for failure to:

1. File an IFTA quarterly tax report;
2. Remit all taxes due; and
3. Pay and/or protest an audit assessment or other assessment within the established time period.
4. Maintain a bond if the base jurisdiction has required a bond be posted.

When the license is revoked or suspended, the Division of Motor Carriers will notify the Division of Vehicle Enforcement and the Kentucky State Police. All member jurisdictions will also be notified when a suspension or revocation has occurred or has been released.

***DO NOT OPERATE VEHICLES
WHEN A LICENSE HAS BEEN
REVOKED OR SUSPENDED.***

C. License Reinstatement

The Division may reinstate an IFTA license if the licensee files all required reports and remits all outstanding liabilities due all member jurisdictions. The Division may require the licensee to post a bond in an amount sufficient to satisfy any potential liabilities of all member jurisdictions.

Chapter 10

RECORD KEEPING REQUIREMENTS

In addition to the normal records that an operating entity is required to maintain, a Kentucky IFTA Licensee is required to maintain the following records.

A. Fuel Records

1. Over The Road Purchases

The licensee must maintain complete records of all fuel purchased, received, or used in the conduct of its business. Separate totals must be compiled for each fuel type (Diesel/kerosene, Gasoline, Gasohol, liquefied petroleum gas (LPG), Propane, and compressed natural gas (CNG/LNG); and reported separately on your quarterly return. The fuel records must contain:

- ◆ date of purchase;
- ◆ name and address of seller;

- ◆ number of gallons purchased;
- ◆ type of fuel purchased;
- ◆ price per gallon or liter, or total amount of sale;
- ◆ unit number of the vehicle or equipment into which the fuel was placed; and
- ◆ purchaser's name (in the case of a lessee/lessor agreement, receipts will be accepted in either name, provided a legal connection can be made to the reporting party).

Acceptable fuel receipts include an invoice, a credit card receipt, automated vendor generated invoice or transaction listing, or verifiable microfilm/microfiche. Receipts that contain alterations or erasures will not be accepted.

2. Bulk Fuel Purchases / Withdrawals

A licensee who maintains a bulk motor fuel storage facility may obtain credit for tax paid on fuel withdrawn from that storage facility if the following records are maintained:

- ◆ date of withdrawal;
- ◆ number of gallons or liters withdrawn;
- ◆ fuel type;
- ◆ vehicle unit number of the vehicle into which the fuel was placed;
- ◆ purchase and inventory records to substantiate that tax was paid on all taxable fuel disbursements.

Note: Records must be maintained to distinguish fuel placed in qualified vehicles from other uses. It is the licensee's responsibility to reconcile fuel purchases with the licensee's general ledger.

B. Mileage Records

It is the Kentucky IFTA Licensee's responsibility to maintain detailed distance records of **ALL** inter-jurisdictional and intrastate operations of qualified motor vehicles. These detailed distance records must show operations on an individual-vehicle basis. The licensee's records must support the information reported on the quarterly tax report. Mileage must be kept by fuel type. An acceptable source document is a trip report, which must include:

- ◆ date of trip (starting and ending);

- ◆ vehicle unit number;
- ◆ vehicle fleet number;
- ◆ trip origin and destination (including city & state);
- ◆ routes of travel;
- ◆ trip beginning and ending odometer readings;
- ◆ total trip miles or kilometers; and
- ◆ mileage by jurisdiction for each qualified motor vehicle;
- ◆ licensee's name

NOTE: If driver's logs are the primary / source document for mileage records, they should be retained for the required 4 year period.

C. Record Retention Period

Adequate record keeping is vital for documenting your compliance and your claim for a refund or credit for tax-paid fuel.

Every licensee must maintain records to substantiate information reported on the quarterly tax report. These records must be maintained for a period of 4 years from the due date of the report or the date that the report was filed, whichever is later. Records must be made available upon request by any member jurisdiction. Failure to provide records demanded for the purpose of audit extends the statute of limitations until the records are provided.

D. Penalty for Failure to Maintain Records

Licensee shall retain the previously described records for a period of 4 years from the date of filing the quarterly tax return. Non-compliance with any record keeping requirement may be cause for revoking the license, and the Division of Road Fund Audits may construct a fuel tax liability based on the best available information.

Note: All decals must be accounted for by the Licensee. Additional mileage may be added during an audit for unaccounted decals.

E. Location of Records

Licensee records should be maintained at a location in Kentucky. If these records are not maintained in Kentucky or are not made available in Kentucky, the auditor's travel expenses will be billed to the licensee.

Chapter 11 AUDITS

An IFTA audit verifies fuel and mileage data reported on the IFTA quarterly tax returns. The Division of Road Fund Audits will audit Kentucky IFTA licensees on behalf of all member jurisdictions.

A. Notification of Audit Date

At least 30 days prior to conducting a routine audit, the Division of Road Fund Audits shall contact the licensee in writing advising of the approximate date that the audit is to be conducted and the time period the audit will cover.

B. Records Required for Audit

In addition to the records required for fuel and mileage records in Chapter 10, the licensee shall have available the IFTA returns, the Kentucky income tax returns, the general ledger and the related journals and supporting documentation to support the fuel purchases.

C. Audit Conferences

At the beginning of the audit, the auditor will confer with the licensee to determine background information, reporting methods, and records to be reviewed. As the audit progresses, the auditor and the licensee will discuss the sample periods, sampling techniques, and any problem areas. An exit conference will be held with the licensee to explain audit findings and future reporting recommendations.

D. Audit Results

The licensee and each affected IFTA jurisdiction will receive a written notification of the audit results. These results will contain a schedule of the differences by jurisdiction, a summary of the audit and recommendations, and the procedures for appeal. If the audit is not protested, payment, including interest from the original due date must be made within 45 days from the date of the notice of tax due. If additional tax is due, penalties will be assessed based upon the percentage of underpayment.

Division of Road Fund Audits

Frankfort, Kentucky 40622

Chapter 12 APPEAL PROCEDURES

A. 45 Day Appeal Period

 A protest of an IFTA audit assessment must be submitted in writing to the Division of Road Fund Audits within 45 days from the date of notice of assessment.

The licensee should be aware that an affected jurisdiction also has the right to request to re-audit the licensee's operations for the same audit period. This protest must be submitted in writing to the Division of Road Fund Audits within 45 days from the date of notice of assessment.

B. Hearing Procedures

The Division of Road Fund Audits will conduct a review of the audit assessment. If supporting statements and documentation are not sufficient to change the assessment results, an information gathering or protest conference will be scheduled. At the conference, the licensee may appear in person and/or be represented by an attorney or an individual with a properly executed power of attorney.

C. Notification of Protest Results

The Division of Road Fund Audits will issue a Final Ruling of the protest, and will notify the licensee of their rights for further appeal. At any time during the protest, the licensee has the right to request a Final Ruling to be issued so that an appeal may be addressed to a Kentucky Board of Tax Appeals.

D. Tax Court Procedures

The Kentucky IFTA Licensee is notified of all right of appeals procedures with the results of the audit. If the licensee does not agree with the Final Ruling, they have the right to file a written appeal with the Kentucky Board of Tax Appeals within 30 days from the date of the ruling.

IFTA Tax Reports & Return Processing

Kentucky has joined with a number of other states as a member of the Regional Processing Center (RPC) to handle IFTA tax reports and return processing. IFTA licensees will have their reports mailed from and returned to the RPC, based in Albany, NY. Any billings due to errors or audits will be generated from Kentucky and **ALL checks, including those remitted with the tax report to the RPC, will be made payable to KENTUCKY STATE TREASURER.**

The mailing from the RPC will contain the quarterly IFTA tax report, general reporting instructions, tax rates for participating jurisdictions, help desk and return mailing instructions. A copy of the report is included in Chapter 15.

ELECTRONIC TAX FILING is now available from our web site.

Kentucky administers three types of web filings that handle all mathematic calculations for the user to insure error free IFTA tax filings. These internet filings prevent the mistakes that cause overpayments and costly additional billings.

The first is a completely paperless internet filing which allows you to file the IFTA quarterly return electronically and have the payment made through an *ACH Debit* draft after the due date.

dot.ky.gov/dmc/aaf_IFTA.htm

This type of filing requires an application to be completed to establish your secured password and financial information.

The second is identical to the first, but allows you to mail in your payment with a *voucher* that prints out after the return is filed through the web. **dot.ky.gov/dmc/aaf_IFTA_V.htm** It is also password secured but requires the manual step of having the payment postmarked by the return due date, instead of the electronic payment. The third type is a web based IFTA return which is completed on the web, but is then printed out and mailed in with the payment. While everything must be physically mailed in by the due date, the same edits are built into the web to insure the return is error free.

MEMBER JURISDICTION INFORMATION

IFTA Inc is a corporation that was formed to administer the business affairs of IFTA. While most of their duties surround interaction between jurisdictions, IFTA Inc administers a web site that provides valuable information for you as a motor carrier. These include tax rates, news within IFTA, ballot proposals to change the agreement, phone numbers for contacts within each jurisdiction, up to date versions of the manuals that govern the agreement, and most importantly the exemptions that each jurisdiction have that affect completion of the quarterly tax return.

The following pages have the contacts and exemptions currently in effect, but the IFTA Inc web site should provide the most up to date information in these areas. Please contact the specific jurisdiction if you have any questions pertaining to their exemptions.

Please visit IFTA Inc. at: **<http://iftach.org>**.

Instructions for Form IFTA-101

IFTA Quarterly Fuel use Tax Schedule

A separate Form IFTA-101 must be used for each fuel type. If you used other than the type(s) shown on the preprinted schedule(s), you must obtain a blank schedule by calling the appropriate number listed in **Need Help?** On the reverse side of these instructions. When completing the blank schedule refer to Form IFTA-105, *IFTA Final Fuel Use Tax Rate and Rate Code Table 1*, for Diesel, Motor Fuel Gasoline, Ethanol, Propane and CNG, for all other fuel types refer to Form IFTA-105.1, *IFTA Final Fuel Use Tax Rate and Rate Code Table 2*.

Jurisdictions that have a surcharge¹ are listed twice on Forms IFTA-101 (column F), IFTA-105 and IFTA 105.1. If you traveled in any jurisdiction(s) with a surcharge¹, be sure to complete both lines for that jurisdiction on Form IFTA-101. Do not enter amounts in columns that are x'd out. Make no entry on surcharge line for columns H, I, J, L and M.

- (A) Total IFTA Miles** – Enter the total miles traveled in IFTA jurisdictions by all qualified motor vehicles in your fleet using the fuel type indicated on each form/schedule (total from column H). Report all miles traveled whether the miles are taxable or nontaxable. **Round mileage to the nearest whole mile (e.g., 1234.5 = 1235).**
- (B) Total NON-IFTA Miles** – Enter the total miles traveled in non-IFTA jurisdictions by all qualified motor vehicles in your fleet using the fuel type indicated on each form/schedule. Report all miles traveled whether the miles are taxable or nontaxable. NON-IFTA Jurisdictions: Alaska - AK, Dist. of Columbia - DC, Mexico - MX, Yukon Territory - YT, and Northwest Territory - NW. **Round mileage to the nearest whole mile (e.g., 1234.5 = 1235).**
- (C) Total Miles** – Add the amount in item (A) and the amount in item (B) to determine total miles traveled by all qualified motor vehicles in your fleet.
- (D) Total Gallons** – Enter the total gallons of fuel placed in the propulsion tank in both IFTA and non-IFTA jurisdictions for all qualified motor vehicles in your fleet using the fuel type indicated. **Round gallons to the nearest whole gallon (e.g., 123.4 = 123).**
- (E) Average Fleet MPG** – Divide item (C) by item (D). **Round to 2 decimal places (e.g., 4.567 = 4.57).**

Column F – Preprinted are all IFTA jurisdictions you have indicated you operated in during the previous four quarters. If you did not operate in a jurisdiction listed, make no entries for that jurisdiction. If you operated in a jurisdiction other than those listed, enter the jurisdiction's name and the two-letter abbreviation from Form IFTA-105 or IFTA-105.1.

Column G – If the rate code is not preprinted, enter the rate code of the appropriate fuel type for each IFTA jurisdiction from Form IFTA-105 or IFTA-105.1.

Column H – Enter the total miles traveled (taxable and nontaxable) in each IFTA jurisdiction for this fuel type only. Make no entry on surcharge line for this column. **Round mileage to the nearest whole mile (e.g., 1234.5 = 1235).**

Column I – Enter the IFTA taxable miles for each IFTA jurisdiction. Do not include fuel use trip permit miles. Make no entry on surcharge line for this column. **Round mileage to the nearest whole mile (e.g., 1234.5 = 1235).**

¹Jurisdictions with surcharge: Indiana, Kentucky, Ohio, and Virginia.

Column J – Enter your average fleet miles per gallon (mpg) from item (E) above. Make no entry on surcharge line for this column.

Column K – Divide the amount in column I by the amount in column J to determine the total taxable gallons of fuel consumed in each IFTA jurisdiction. For surcharge¹ taxable gallons, enter the taxable gallons from the same jurisdiction's fuel use tax line, column K. **Round gallons to the nearest whole gallon (e.g., 123.4 = 123).**

Column L – Enter the total tax-paid gallons of fuel purchased and placed in the propulsion tank of a qualified motor vehicle in each IFTA jurisdiction. Keep your records for each purchase claimed. When using bulk storage, report only tax-paid gallons removed for use in your qualified motor vehicles. Fuel remaining in storage cannot be claimed until it is used. Make no entry on surcharge line. **Round gallons to the nearest whole gallon (e.g., 123.4 = 123).**

Column M – Subtract the amounts in column L from column K for each jurisdiction. Make no entry on surcharge line for this column.

- If column K is greater than column L, enter the taxable gallons.
- If column L is greater than column K, enter the credit gallons. Use brackets to indicate credit gallons.

Column N – If the tax rate is not preprinted, enter the rate for the appropriate fuel type from Form IFTA-105 or IFTA105.1. Where a surcharge¹ is applicable, enter the appropriate surcharge rate from Form IFTA-105 or IFTA-105.1.

Column O – Multiply the amount in column M by the tax rate for that jurisdiction in column N to determine the tax or credit. Enter any credit amount in brackets. Where a surcharge¹ is applicable, multiply the gallons in column K by the surcharge tax rate in column N.

Column P – If you file late, compute interest on any tax due for each jurisdiction for each fuel type indicated on each form/schedule. Interest is computed on tax due from the due date of the report until the date payment is received. Interest is computed at 1% per month or part of a month, to a maximum of 12% per year. Reports must be postmarked no later than the last day of the month following the end of the quarter to be timely.

Column Q – For each jurisdiction add the amounts in column O and column P, and enter the total dollar amount due or credit amount. Enter any credit amount in brackets.

Subtotals – Add the amounts in columns H, O, P and Q on the front of the schedule and enter on the *Subtotal* line in the appropriate columns. Add the amounts in columns H, O, P and Q on the back of the schedule and enter in the applicable columns on the *Subtotal* line below. Enter these amounts in the applicable columns on the front of the schedule on the *Subtotal from back* line.

Total – Add the Subtotals and the Subtotals from the back to determine the Totals. The total in column Q is the difference of all credits and taxes due for all jurisdictions. Transfer the Total from column Q for Diesel, Motor fuel gasoline, Ethanol and Propane reported to the corresponding line on Form IFTA-100, IFTA Quarterly Fuel Use Tax Report. For all other fuel types, add the Subtotals and the Subtotals from the back, and transfer the total from column Q for each of these fuels to column S of the worksheet on the back of these instructions.

** IMPORTANT QUESTIONS TO ASK YOURSELF BEFORE YOU MAIL THE RETURN **

1. Did I fold my IFTA-100 so that the NEW YORK address on the back is showing through the envelope window?
2. Did I sign my IFTA-100, my check, and list a current phone number? Did I write my IFTA Taxpayer ID number on the bottom of my check in case they get separated? Am I sending an **ORIGINAL** return with **both** the ***IFTA-100 and IFTA-101***?
3. Did I fill out A through E on the IFTA-101?
4. Did I correctly fill out Column(L)? Did I give myself **CREDIT** for fuel purchase in **Column(L) Tax Paid Gallons** on the IFTA-101? *(For example, if you purchased all your fuel in Kentucky, put the total you listed on Line(D) in Column(L) on the Kentucky line. **Column(L) is only for fuel purchased in that particular jurisdiction.**)* The total of Column(L) **cannot** exceed Line(D) Total Gallons.
